RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On February 27, 2004, Applicant filed an Information Disclosure Statement incorrectly stating that the Information Disclosure Statement is being filed more than three months after the U.S. filing date AND after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Rejection, Notice of Allowance or other action that closes prosecution. Applicant also paid a fee under 37 CFR §1.17(p) in the amount of \$180.00.

However, Applicant submits the Information Disclosure Statement was filed prior to any action on the merits. Thus, this Resubmission of Information Disclosure Statement is filed to clarify that the references are being filed prior to an action on the merits.

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

- ☒ 1. This Information Disclosure Statement is being filed (a) within three months of the U.S. filing date of this non-CPA application, OR (b) before the mailing date of a first Office Action on the merits in the present application. No certification or fee is required.
- ☒ 2. Co-pending U.S. patent application No. 09/866,740 is identified on Form PTO 1449 of this Information Disclosure Statement. The Examiner is respectfully requested to consider each cited application and the art cited therein during examination of the present application.

- ☒ 3. All of the references were previously submitted with the Information Disclosure Statement filed on February 27, 2004. Thus, copies are not being resubmitted.

Respectfully submitted,

James A. Oliff
